**C#m7** **A2**  
If God is for us who can be against us?  
**E** **B**  
While we were still far off in times of distress  
**C#m7** **A2**  
You came to our rescue, and gave everything  
**E** **B**  
And brought us out of the dark place we've been

**E** **E/D**  
Nothing can separate us from  
**C#m7** **A2**  
The Love that sets us free  
**E** **E/D**  
Remind us once again  
**C#m7** **A2**  
Of Your love that never leaves

And we know in all things You work for the good  
Of those who love You; on this promise we've stood  
This present suffering the world feels today  
Will once and forever finally pass away

**E/G#** **A2**  
Through height and depth, through life and death  
**Bsus** **C#m7**  
You won't let go, we're inseparable
