**G/B**

From the witness long ago

**C2**

To new faith that now unfolds

**Em7**

**D**

**C2**

We tell of all the great things You have done

From the loudest shouts of praise

To the quiet whispered phrase

The glorious echo of the Holy One

**C2 D Em7**

From age to age...

**G**

**Dm7**

Our God reigns, yes, our God reigns

**C2**

**Am7**

Beginning and the end, let the church say again

From the humble bended knee

To the grateful heart set free

You are the King of Kings and yet our friend

From the lonely empty place

To those who see you face to face

Our God Immanuel, the great I AM

**C2 D Em7**

From the shouts of praise

**C2 D Em7**

To the whispered phrase

**C2 D Em7**

Let the people say

**D**

Our God reigns
